

## DS620A™

- 3-year Advance Exchange (AE)\* Warranty included in the box!
- Choose from four finishes: glossy, matte, fine matte, and luster!
- Up to 400 prints per hour, the DS620A is FAST with prints in 8.3 seconds!
- Multiple formats from 2x6" photo booth fun strips to 6x8" enlargements.

**“Our number one reason for choosing the DS620A was its speed. We just couldn’t afford to have customers waiting and delaying the workflow.”**

*-Sitou Byll-Cataria, Chic Booth*

## Wide Array of Formats

Providing flexibility on photo formats, the DS620A offers anything from a 2x6" photo booth strip to gorgeous 6x8" photos. Load in 6x8" media for the greatest flexibility in print sizes.

## Superb Quality

The DS620A's state-of-the-art thermal print head produces full vibrant colors that make the photograph as special as the memory itself.

## Quick Output

The DS620A boasts a 14 percent increase in image throughput per hour for some of the fastest print speeds available—standard 4x6" images are produced in less than nine seconds, while 5x7"s are printed in about 15 seconds.

Not only does **DS620A** provide **unmatchable quality and performance** but it also provides **FOUR** photo finishes **WITHOUT** changing media.

**Glossy • Luster • Matte • Fine Matte**
