

Offer More!

Perforated Media

- Great way to advertise for the photographer and/or the client.
- No special print drivers or firmware required.
- Attach vouchers, coupons, tickets, & more!
- Unique media types from 4x6" to 6x8".

Promotional Opportunity

Each perforated media type offers an opportunity to attach a voucher, coupon, or ticket as a means to promote your clients event or business. This can be a great upsell for any event photographer!

Offered Over Three Printers

Perforated media is offered on three DNP printers which are the best six inch professional photo printers on the market – QW410, DS620A, DS-RX1HS, and DS40.

No Hassle

There is no need to change firmware or print drivers in order to use. The content is completely up to the photographer, create a template in Photoshop or download an already created template and start printing!
