**DNP Appoints Katsuyuki Oshima as President of DNP Imagingcomm America Corporation**

**CONCORD, North Carolina** — DNP today announced the appointment of Katsuyuki Oshima as President of DNP Imagingcomm America (DNP IAM) Corporation. In this role, Oshima will oversee DNP IAM's overall strategy and day-to-day operations, including product development, marketing, sales, and technical support. Oshima will be based at DNP IAM's US headquarters in Concord, North Carolina.

Oshima has been with DNP for more than 26 years, holding multiple roles of increasing responsibility in product management, engineering, research and technical development operations. Most recently he served as General Manager of the Production and Technical Development Divisions within DNP's Global Imaging Communications Operations.

"Throughout my career at DNP, there has always been an underlying commitment to innovation, product quality and strong customer relationships," stated Oshima. "I'm confident that all these values will continue to be central to my role leading the DNP IAM team. I look forward to continuing to build on the strong recent success of the group."

Oshima holds a Bachelor's Degree in Chemical Engineering from the Tokyo Institute of Technology in Japan.

**About Imagingcomm America Corporation (DNP IAM)**

DNP IAM is a wholly-owned U.S. subsidiary of Dai Nippon Printing Co., Ltd. (DNP) – the world's largest manufacturer of dye-sublimation media for photo printers and barcode ribbons.

DNP IAM has the broadest selection of solutions for the photo retail market and products designed to address retailer's specific business goals and objectives—backed by the quality and reliability today's customers expect. Manufacturing, sales and development offices of dye-sublimation media for photo printers is located in Concord, N.C., and more information is available at [www.dnpimagingcomm.com](http://www.dnpimagingcomm.com).

**About DNP**

Over 25 years ago, DNP was one of the first organizations to pioneer dye-sublimation media -- and the oldest company to start business development in thermal transfer ribbons. DNP has since grown to be the world's largest manufacturer of dye-sublimation media and barcode ribbons.

DNP, founded in 1876, is the world's largest diversified printing/coating technologies company. At its 71 production plants, both in Japan and overseas, DNP's operations include commercial printing, packaging, decorative materials, electronics, business forms and imaging products. DNP is a global corporation with \$14,063,592 (\$ thousand) in annual revenue. For more information, please visit [www.dnp.co.jp/eng](http://www.dnp.co.jp/eng)
