## Included Equipment

|	
ID Photo Printer	FlashAir® Card
Camera	Batteries
Console	SD Card Reader

Over 20 million passports issued in 2019* alone!

Take advantage of this need by offering passport photo printing. It is one of most profitable services a photo business can offer.
Our ID software does all the work

Choose from a vast selection of foreign and domestic passport and Visa output sizes.
Maintains a gallery of the past six captured images. This allows for reprints or changing the template without taking another picture.

The 8 built-in biometric checks automatically adjust head size, position, tilt, crop, and more to ensure the image meets chosen requirements.

Manually adjust color, brightness, contrast, and more to ensure the highest quality photo. The image can also be transferred to a customer's USB.

Versatility
Easily change between output sizes without having to take a new picture.

Reliability
Our printer comes with a 3-year Advance Exchange (AE) Warranty!
