

SELF ORDER SOFTWARE

Install Guide

Introduction

Thank you for your purchase of NX Plus⁺ from DNP. Please read through this guide before using the product.

Software License Agreement

This agreement("Agreement") sets forth the terms and conditions under which Dai Nippon Printing Co., Ltd. ("DNP") grants you a license to use the software and its series products defined below("Software"). You are deemed to have agreed to this Agreement when you have clicked the accept button of this Agreement on the display of your computer at the time of installation of the Software.

1. Software

"Software" means certain DNP software product and its series product which you purchased from DNP or its distributor, which includes the programs, data, manuals, documents, and other materials provided to you together with the Software. Software includes its duplicate copy, and also the modified version, if DNP provides you the modified version at DNP' s own discretion.

2. License

DNP grants you a non-exclusive and non-transferable license with respect to the Software subject to terms and conditions set forth below:

(1)Territory of Use: Outside Japan

(2)Method of Use: You may install the Software on computers under your control.

(3) Period of Use: From when you have clicked the accept button of this Agreement on the display of your computer at the time of installation of the Software until this Agreement terminates in accordance with Section 5.

3. Right of Software

The Software is protected under applicable copyright law, regulations and international treaties, and you acknowledge and agree that the Software shall at all times be the exclusive property of DNP or the licensor of DNP ("Licensor"), and nothing in this Agreement shall be construed to convey any ownership interest in such property to you.

You have no right or interest in the Software except as expressly granted to you in this Agreement. If case of any use of the Software beyond the scope licensed in Section 2 or any breach of the terms and conditions set forth in this Agreement is found, DNP and/or the Licensor (as an intended third party beneficiary of this Agreement) are entitled to enforce the provisions of this Agreement directly against you in its own name.

4. Restrictions

You may not do the following conduct:

 You may not use or copy the Software in excess of what is allowed under its intended use under this Agreement or reasonably by law;

- (2) You may not alter, modify, merge or adapt the Software;
- (3) You may not reverse engineer, decompile or disassemble the Software, or otherwise attempt to derive the source code of the Software, unless permitted by applicable law;
- (4) You may not rent, lease, sublicense or otherwise assign the Software to third parties;
- (5) You may not remove, deface, alter or otherwise tamper with any proprietary, copyright, trade secret, warning or similar legend accompanying the Software;
- (6) You may not infringe copyright or any other rights in the Software;
- (7) You may not assign, transfer or grant any security interest in any or all of your rights and obligations under this Agreement to any third party without DNP' s prior written consent;
- (8) You may not export or re-export, or cause or permit the export or re-export of any of the Software in violation of any export laws and restrictions and regulations of the country involved.
- 5. Formation and Termination of the Agreement
- (1) This Agreement shall be agreed when you have clicked the accept button of this Agreement on the display of your computer at the time of installation of the Software and shall be effective until terminated by either of the causes below:
 - 1) You delete all the Software installed on your computer and cease the use of the Software;
 - 2) You are in breach of any term or condition of this Agreement.
- (2) Upon termination of this Agreement by your breach of any term or condition of this Agreement, you must immediately cease the use of the Software and delete all the Software installed on your computer and return all other Software to DNP.
- (3) Notwithstanding the termination of this Agreement, Section 3, Section 4, Section 5(2) and (3),
 Section 6(3)(4) and (5), Section 7 and Section 8 shall survive and remain effective after such termination.
- 6. Warranty and Disclaimer
- (1) DNP or its distributor shall replace the Software purchased by you if any damage or defect (which means any malfunction unexpected in the manual occurring under the required operation environment) is found in the Software, and you give notice of such damage or defect to DNP' s distributor from which you have purchased the Software within thirty (30) days from the purchase of such Software;
- (2) Notwithstanding the foregoing Section 6(1), if DNP or its distributor decides in its own discretion, such damage or defect will pose no problem on the use of the Software, DNP and its distributor shall not be responsible to replace the Software. If the Software requires any modification, the method and timing shall be determined in DNP' s sole discretion.
- (3) DNP, ITS DISTRIBUTORS AND THE LICENSOR MAKES NO WARRANTIES TO YOU, EXPRESSED, IMPLIED OR STATUTORY, REGARDING THE SOFTWARE, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT AND/OR FITNESS FOR A PARTICULAR PURPOSE, OR THEIR EQUIVALENT UNDER THE LAWS OF ANY JURISDICTION. AFTER YOU HAVE AGREED TO THIS AGREEMENT, THE PURCHASE PRICE OF THE SOFTWARE IS UN-REFUNDABLE UNDER ANY CIRCUMSTANCES.
- (4) DNP, ITS DISTRIBUTORS AND THE LICENSOR SHALL NOT BE LIABLE TO YOU FOR ANY GENERAL,

SPECIAL, DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR OTHER DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, HOWEVER CAUSED AND REGARDLESS OF THE THEORY OF LIABILITY, EVEN IF DNP OR THE LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

- (5) NOTWITHSTANDING THE FOREGOING, IF ANY, THE LIABILITY OF DNP, ITS DISTRIBUTORS AND THE LICENSOR ARISING OUT OF OR RELATED TO THIS AGREEMENT WILL NOT EXCEED THE PURCHASE PRICE OF THE SOFTWARE UNDER ANY CIRCUMSTANCES.
- 7. Governing law and Jurisdiction

This Agreement shall be governed by and construed in accordance with the laws of Japan. All controversies arising from the interpretation and performance of this Agreement shall be submitted to the exclusive jurisdiction of the Tokyo District Court of Japan.

8. Severability

If any provision hereof is held invalid or unenforceable by a court of competent jurisdiction, such invalidity shall not affect the validity or operation of any other provision and such invalid provision shall be deemed to be severed from this Agreement.

${\bf 2}$ Connecting the Photo printer

Connect the photo printer you want to use and install the printer driver. Please follow the instruction attached on the printer to install the driver.

$\mathbf{3}$ Installing the application

Installation must be done by the administrator. Please log on to your computer as an administrator and follow the instruction below.

3 - 1 Before installing the application

If you are using Windows Vista or Windows 7 on your computer, you have to turn off the User Account Control following the instruction below.

a) Windows Vista

Open the Control panel from the start menu. Then select [User Account and Family Security].

Select [User Accounts].

| in par lash min | | |

4 Connecting USB license Key

If the application you have installed is Type-LE, please skip this chapter.

After you completed the installation, you need to install USB license Key driver to detect the key. This process allows you to use standard version of NX Plus⁺.

a) Windows Xp /Vista

Insert USB license key to USB port on your computer.

[Welcome to the Found New Hardware Wizard] appears. Then select [No, not this time] and press [Next >] button.

| Found New Hardware Wi | zard |
|-----------------------|--|
| | Welcome to the Found New Hardware Wizard Windows will seach for current and updated software by looking on your conduct, on the humb your permission? Band out permission? |
| | Can Windows connect to Windows Update to search for settinas? () (Set In the time only () (Set In the tin the time only () |
| | Click Next to continue. |
| | Cancel |

Select [Install from the list of specific location (Advanced)] and press [Next >] button.

Insert install disk into the optical drive.

Select [Search for the best driver in these locations] and check [Include this location in the search].

Press [browse] button and designate the location at the install disk as below.

If optical drive is E ,

For 32 bit : E:\nx\driver\JSPUSB_driver\USB\32

For 64 bit : E:\nx\driver\JSPUSB_driver\USB\64

Then press [Next >] button.

Pandra.inf will be detected.

If you have already installed this driver before, oem13.inf will be also detected. Both will be OK to complete this installation. Then press [Next >].

| Pandora | Көу | | | |
|-------------|---------|--------------|----------------------------|--|
| Description | Version | Manufacturer | Location | |
| | | | c \windows\inl\pandoia.inl | |
| Pandora Key | Granden | 100 | c: \windows\inf\oem13.inf | |
| | | | | |

[Insert Disk] window appears. Press [OK] button.

[Files Needed] window appears. Please designate the same location you do at previous process.

For 32 bit : E:\nx\driver\JSPUSB_driver\USB\32 For 64 bit : E:\nx\driver\JSPUSB_driver\USB\64 If you select the oem13.inf at the previous steps, this step will be skipped. Press [OK] button.

[Completing the Found New Hardware Wizard] appears. The driver installed successfully. Press [Finish] button to complete the installation.

| Completing the Found New Hardware Wizard |

$\mathbf{5}$ Configuring the application

Open the administrative application and configure the settings. Please follow the instruction manual -administration - about the details.

5 - 1 Configuring NX Plus⁺

After you finish the installation, please execute administrative application at first. You can start the application from NX Plus⁺ main application. Please press icon twice quickly to start main application.

Press the DNP logo at least for 3 sec. or press the shortcut key (Ctrl+A), and the screen appears as shown on the left.

Enter the administrative password (default:9999), and then press Next, displaying the Store Menu.

Press [Admin] button to start the administrative application.

Please confirm followings before configuring the settings.

- Is printer connected to your PC and its power turns on?

-Is USB license key inserted to the USB port on your PC and driver is installed correctly if you have the standard version of NX Plus⁺?
